NOTICE OF FILING AND HEARING
DOCKET NO. 2008-460-WS

APPLICATION OF AVONDALE MILLS, INC. FOR APPROVAL OF A NEW SCHEDULE OF RATES AND CHARGES
FOR WATER AND SEWERAGE SERVICES PROVIDED TO CUSTOMERS

Avondale Mills, Inc. ("Avondale" or "the Company") has filed an Application with the Public Service Commission of South Carolina (the Commission) for approval of an increase in its existing water and sewer rates pursuant to S.C. Code Ann. §58-5-240. In addition, Avondale seeks approval of the depreciation rates which have been utilized in the application. Avondale also requests approval of a pass-through mechanism to reflect increases from Avondale's bulk water providers and sewer treatment provider.

The Application reveals that Avondale furnishes water distribution service and sewer collection service to 616 water customers and 495 sewer customers in Graniteville and Vauduse communities in Aiken County, South Carolina. In its Application, Avondale indicated its justifications for its requested rate relief. According to the Application, for the test year ending August 28, 2008, after accounting and pro forma adjustments for known and measurable changes, the Company has a loss of \$613,099 and a negative Operating Margin of 554.35%. Further, the Company's current rates were approved in January 1980. Additionally, the Company asserts that it will not be able to provide proper maintenance, upgrades and additions that are required to meet the standards mandated by the Department of Health and Environmental Control and other regulatory bodies.

THE PROPOSED SCHEDULE OF RATES AND CHARGES ARE SET FORTH BELOW
(The complete rate schedule is available from the Company at the address below and on the Commission's website at www.psc.sc.gov. Also, a copy of the Company's current rates and charges can be accessed at www.psc.sc.gov under Order No. 98-661 or by calling 803-898-5100).
